

LINCOLN CITY FOUNDATION YOUTH CLUB

Our Trust's official charity partner for 2024, Lincoln City Foundation, has developed an incredibly impressive range of initiatives for the benefit of the entire community, including Lincoln City fans. We highlight here yet another new initiative: the Youth Club.

WHAT IS THE YOUTH CLUB?

A social area for young people to get involved in various activities and spend time with their friends. Music. Games. Digital Play. Table Tennis. Football. Arts & Crafts. Cooking. And much more! By offering a range of activities, workshops and trips to young people, it provides them with valuable opportunities to learn new skills, explore their talents and form lasting friendships. Creating a safe, supportive space where they feel valued is essential for young people's growth and wellbeing. It's great that the Football Club also serves as a point of connection to additional support and resources when needed. This kind of community-driven effort has a real, positive impact on the lives of young people, helping them build confidence, resilience and a sense of belonging.
